

**PMI**

PROJECT MANAGEMENT INSTITUTE  
Making project management indispensable for business result®

---

**Northern Italy Chapter**

# PMI Northern Italy Chapter Centre Italy Branch

---

**Reggello (FI)  
28 May 2008**

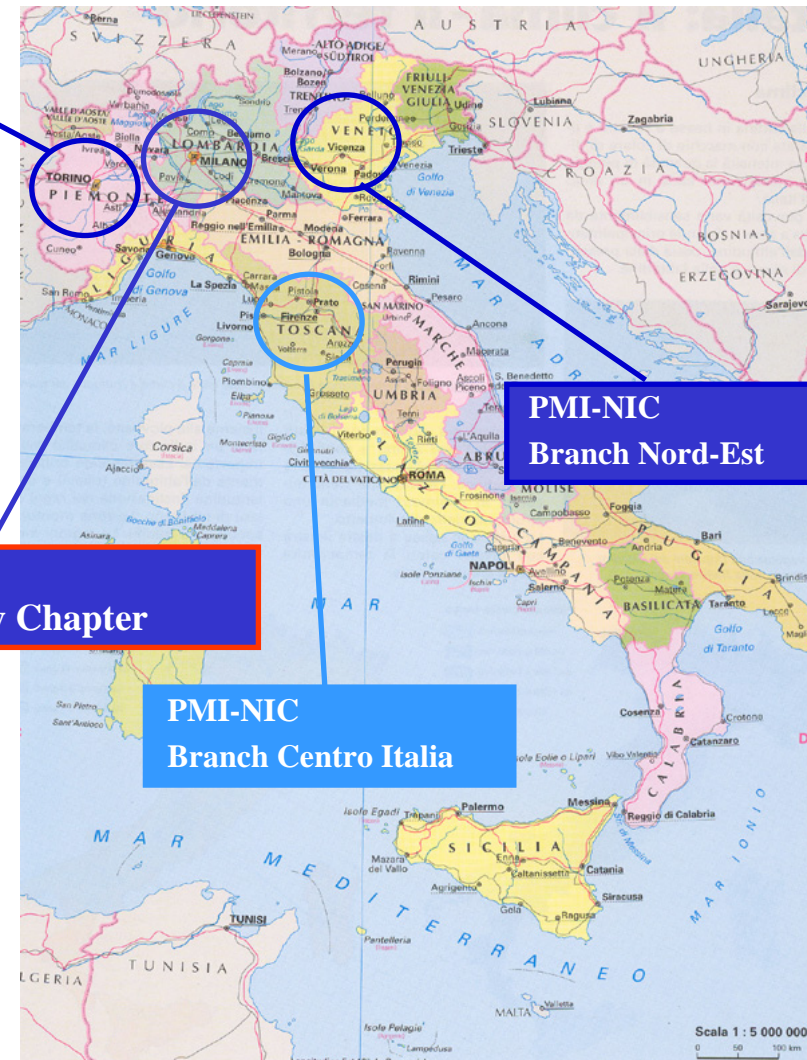

# Why a new Branch?

**PMI-NIC  
Branch Nord-Ovest**

© The idea to create a local point of contact to cover the Project Management requirements in centre of Italy borns from a continuous demand of PMI members to analyze the local needs.

**PMI  
Northern Italy Chapter**

© Following the North-est and North-west branches, this is the third one belonging to the PMI-NIC , covering an important area of our country.

# The Mission

---

In line with the PMI–NIC philosophy the mission is:

- Promote in centre Italy activities according to the Institute, more accessible and closer to the local requirements.
- Being point of contact for:
  - Support high preparation
  - Energise best practice adoption
  - Create opportunity for professionals and companies

*Expand the Project Management awareness  
and  
expand Northern Italy Chapter activities*

# The Scope

---

- Information/Education

- Organize conventions
- Facilitate spread of outcomes from international conventions
- Deepening about local needs and particular topics
- External focus between companies
- .....

As Is

- Networking

- Experience sharing between NIC-branches
- Recreational & cultural meetings (ie. Tasting & Project Management)
- Blogs / Forum
- Connect with other chapters or branches (domestic or international)
- .....

To Be

- Accademic Research

- .....

Nice to Have

***.....more people engaged to the PM philosophy  
and resources are needed***

---

# Next Steps

---

- Find an official Branch headquarter  
....any proposal will be welcome !
- Second convention  
.... Autumn 2008
- Promote meeting  
....Share experiences and build networking
