Multicultural Environment

Monday 23 May 2016
Unione di Commercio
Corso Venezia 47 , Milan

8.30 – 13.00

Side effect on methodologies...

To behave in several environment, through different nature and **culture**, typically requires us to **change** our management action. How the methodologies should model themselves to the specific **contexts** is what we will try to bring out through the **testimonies** that have, as habitat, the internationally. Project Management, **Lean** Production and **LSP** are the three **case studies** that will be proposed.

PMI Northern Italy Chapter is a reference for everyone interested in project management topics all over Northern and Central Italy. With over 1.950 members, the Chapter is part of Project Management Institute (PMI®), the world's leading not-for-profit professional membership association for the project, program and portfolio management profession. Founded in 1969, PMI delivers value for more than 2.9 million professionals working in nearly every country in the world through global advocacy, collaboration, education and research.

The **Branch Lombardia**, since 2015, is active focal point to sort out events like: meetings, workshops, webinars and networking into the Lombardia Land. Main goal is stay in touch with companies, legal entities and local government. Branch Director are **Gianluca Bonasegale** and **Daniele Di Lorenzo**.
