

Empowering Organizations in Requirement Management

Trieste, February 20th, 2020

Rules for parking in parking lot "G" in Wärtsilä Italia S.p.a.

The participants in the event "Empowering Organization in Requirement Management" will be allowed to park in the Company parking lot "G".

Access to the Company (both to the park "G" and to the main gate) is possible only for those who have registered to the PMI event and have provided the information requested in the questionnaire sent by PMI through e-mail.

The registration to the event is open from 14:00 to 14:30. People will be allowed to enter the Company in this time frame only. Wärtsilä Security service for the parking will be available in this period only.

Please follow below the instructions about how to reach the park "G":

- 1) You need to submit your data (Name, Surname, Number of ID card and car plate number) using the questionnaire below:

- 2) At the main gate (Figure 1) turn right and continue on the street heading East (Figure 2);
- 3) After approximately 100 m there is a gate on the left on the Company's perimeter for accessing the parking lot "G" (Figure 3);
- 4) The Gate in Figure 3 is available for parking from 13:45 to 15:00. There will be a member of the Security team checking the car plate that you have provided to PMI through the questionnaire in point 2);
- 5) The Security will indicate to the people parking at the park "G" how to proceed to the main gate for a quick registration (checking of ID card provided with the questionnaire in 2));

For those who have NOT provided the car plate (point 2) above), it will NOT be possible to park inside the Company (park "G"). However, there is free park space available outside in the surrounding area.
